Welcome to the Editorial Board of ZAMM – Journal of Applied Mathematics and Mechanics

Dear Professor Dell'Isola,

The Editor-in-Chief of ZAMM-Zeitschrift für Angewandte Mathematik und Mechanik, Professor Holm Altenbach, informed us that you have kindly agreed to act as a member of the Editorial Board of this journal. We are much obliged for your willingness to do so and herewith confirm your position for an initial period of three years from beginning of 2018.

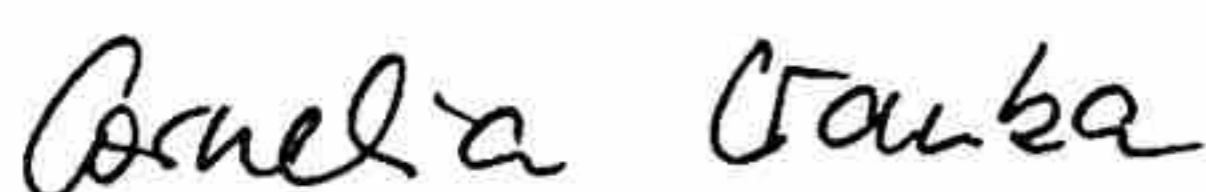

The members of the Editorial Board should support the journal actively by commissioning high-quality papers from their field of scientific research and contributing articles themselves from time to time. Also any assistance in the peer-review process of the journal is highly appreciated.

As a member of the Editorial Board you will receive free access to the electronic version during your membership. Your name will be printed inside the journal and will appear on the homepage. You are also offered the opportunity to purchase all WILEY-VCH books at a discount of 25 per cent.

For more information please visit our homepage at www.zamm-journal.org or our service Wiley Online Library at <http://onlinelibrary.wiley.com/>.

We are looking forward to a good and successful co-operation.

Yours sincerely,

Cornelia Wanka
Project Editor
