Dear Professor dell'Isola,

The journal *Mechanics of Solids* (Print ISSN 0025-6544, Online ISSN 1934-7936, <http://mtt.ipmnet.ru/en/>) is a well-known Russian journal. It publishes articles in the general areas of dynamics of particles and rigid bodies and the solid mechanics. At approximately a thousand pages a year, the journal is a comprehensive record of up-to-the-minute research results. Coverage includes vibration of discrete and continuous systems, stability and optimization of mechanical systems, automatic control theory, dynamics of multiple body systems, elasticity, viscoelasticity and plasticity, mechanics of composite materials, theory of structures and structural stability, wave propagation and impact of solids, fracture mechanics, micromechanics of solids, mechanics of granular and geological materials, structure-fluid interaction, mechanical behavior of materials, gyroscopes and navigation systems, nanomechanics, etc. The journal is indexed in Journal Citation Reports/Science Edition, SCOPUS, INSPEC, Expanded Academic, Digital Mathematics Registry, Google Scholar, PASCAL, Academic OneFile, Summon by Serial Solutions, OCLC, INIS Atomindex, VINITI - Russian Academy of Science, Science Citation Index Expanded (SciSearch).

Based on your outstanding contribution in Mechanics, I would like to invite you to become an Editorial Board Member of the journal.

As an Editorial Board Member, you may be required to occasionally review papers, invite your colleagues and friends to submit papers to the journal and help to promote the journal.

We are keenly looking forward to receiving your positive response.

With best wishes,

Dmitry M. Klimov  
Editor in Chief,  
Academician of RAS,  
Professor
